SATURDAY'S SUNSHINE

It Made Everybody Feel Good and **Revived Business**

After so many weary, dreary days, the sunshine of Saturday was thrice welcome.

For the first time in many days the streets were thronged with people and the stores crowded with purchasers.

It was a pleasing contrast of the dull monotony that has been with us so long, and the first real business Saturday our merchants have exd in weeks.

The bright day infused new life, the shoppers were out in force, the clerks in the stores on the jump all the time, and the proprietors looking on with a serene, complaisant smile.

It was such a day as makes everybody happy and glad and in good humor with all mankind.

MARRIAGE ANNULLED

Poor, Silly Groom Didn't Know He Was Being Married

THE LEDGER has already told of the marriage in this city in December last of one James M. Taylor and Miss Marian D. Spooner, a couple from Glendale, Cincinnati.

The groom had sense enough to tell a lie as to his age in order to get a license, and he responded promptly and intelligently to Judge Newell's questions during the marriage cere-

When they got back to Glendale, however, the boy was only 18, and he said he didn't know he had been married!

Miss Spooner was his schoolteacher, and several years older.

Upon representations of the boy's father, and the bride making no contest, the Cincinnati Court on Saturday set aside the marriage.

LETTER ABOUT A COUGH

Published by Our Well-Known Druggist, J. C. Pecor, Who Claims Vinol Will Cure, or He Will Return Money.

This letter was written by the Hon. H. Mason, nember of the City Council, Jacksonville, Fla. When a man coughs like that, loses flesh, has no appetite and cannot sleep, it is time to worry, and it is also time to be very careful to choose only the surest remedy to make strength, create | 19th, and on Saturday morning up to 11 o'clock. appetite and stop the cough. This one sure, guaranteed remedy is Vinol.

Mr. Mason writes: "I contracted a severe old which it seemed impossible to cure. It settled on my lungs, causing a hard cough which kept me awake at nights and soon weakened my system so that I was in a very bad condition. Vinol was recommended, and I began its use; soon the cough stopped, I slept well, my lungs healed rapidly, my strength returned and I gained in flesh and health. In fact, this wonderful cod liver oil medicine restored me to a perfect condition, and I feel better and younger than I have for years. There is nothing like Vinol to cure a hard cough and to build up a ran-down system."

Vinel contains no oil or sickening drugs to all cases of thront, bronchial and lung troubles wherever old-fashioned cod liver oil and emulsions will do good, Vinol is guaranteed to do far more good or we return your money. Try it on our guarantee. J. C. Pecer, Druggist.

Tendency of the Times.

The tendency of medical science is toward preentive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pusumonia always results from a cold or from an attack of influenza (grip,) and it has been observed that this remedy ounteracts any tendency of these diseases toward neumonia. This has been fully proven in many consands of cases in which this remedy has been sed during the great prevalence of colds and grip recent years, and can be relied upon with implicit confidence. Pneumonia often results from slight cold when nodanger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. He on the safe side and take Chamberlain's Cough a soon as the cold is contracted. It ales. For sale by J. Jas. Wood & Son.
